## HISTORY AND PATRIMONY

The Pyrénées-Orientales are full of wonders: and a rich heritage. You will discover the magnificent Collioure bay and the nature reserve of Banyuls-sur-Mer on the Vermeille Coast, the fort square, tower of the star and obelisc of Portus Veneris. Land of artists and inspiration, you will walk on the footsteps of Mackintosh, Derain, Matisse, Picasso, Dali and many others !

## GASTRONOMY ADVENTURE

In our beautiful region, you will discover our French cuisine, referenced by Toques Blanches du Roussillon. Our restaurants offer a gourmet cuisine full of flavors, accompanied by local wines of character from Banyuls and Collioure. Many typical restaurants await you with the catch of the day and traditional dishes.
